

THE FINEST TOURING GLOVES YOU CAN POSSIBLY OWN

Cuff extends 5" above wrist to avoid "wind-gap". The unique Thurlow Seamless Palm Design (*orig. U.S. Patent*) is used in all styles offered and is available in no other gloves. The fit, comfort, and dexterity are unequalled. Standard sizes for men. Women's unlined size 8 (extra small), only. Women's lined size 7 (xx-small) and size 8 (extra small). All Thurlow Deerskin leather is unaffected by water and is washable (*according to instructions*). All Thurlow gloves carry a written guarantee: seams, wearing quality, workmanship.

#581 Unlined #581TL Thermal Lined #580 Unlined #580TL Thermal Lined
With 3½" cuff

#18 "RALLY STYLE"

Snap front. Suede Deerskin side panels for style. Rugged denim lining.

#581RS RACING GLOVE

Similar in appearance to #581 style pictured above. Added features shown in drawings. Extended coverage palm pad. Extra thickness deerskin leather in backs and backs of thumbs. Snug fitting wrist. One inch wide wrap-around cinch strap, adjustable with D ring, secured with Velcro.
